LANDS END TRIAL 2006 The FULL ENTRY LIST and the SCHEDULED TIME CALCULATOR are now available on the Lands End page of the club website. The two ROUTE CARDS for the Main Trial and Class O are also available but on the restricted Members Pages. *To access the Members Only pages may we remind you of the procedure.* Username: Your e-mail address (as used for the weekly and monthly e-mail newsletters). Password: Your membership number (four digits + letter suffix - no spaces). Please note that members with two-digit and three-digit membership numbers *must* add the correct number of 'leading zeroes', e.g. 12L must be entered as 0012L, 123H must be entered as 0123H. Forgotten your membership number? Just look at the address label on any MCC mailing.

EDINBURGH TRIAL Despite losing last year`s senior officials and being organised in consequence by the committee rather than a specialised team, plans for this year`s Edinburgh Trial are well under way. Basing the route on last year`s but tightening it up and looking at giving Class O a better crack of the whip it seems we shall have a shorter but more action packed event of the type so many of you like. We shall probably end up with 10 Sections & 2 S.T. for Class "0", 12 Sections & 2 S.T. for all other classes. Mileage is 190, which reduces MSA charges by keeping under the magic 200, start time 02.00 at Tamworth Services with the finish at "Bull I`T`Thorn" at 12.25. This means the last car, based on total of 300, finishes around 17.25 so we can get Course Closers in by 18.25ish. The pub will also do Breakfasts while Hollinsclough is confirmed as a Rest Halt.

TESTING TRIAL Looking ahead to 16 July this popular annual event promises to be more interesting this year on its newly found site known as "Hills and Hollows" near Keinton Mandeville in Somerset. It`s easily accessed via either the A303 or Fosse Way and should promise a bumper entry. Regs and Entry forms will be out shortly.

SUMMER RUN The details sent in the general mailing fails to mention that accommodation is available at the start/finish by telephoning Three Ways Hotel. Cost is £125 for B&B per double or twin room, while cost for a 2 night stay is £175 for dinner B&B per double or twin room. The Hotel can be reached on 01386 438429 (Fax 01386 438118).

MOT CERTIFICATES The Executive Committee has agreed that in accordance with MSA regulations MOT certificates will continue to be checked at scrutineering before MCC events but a photostat copy will be accepted to prevent damage to the original.

DRIVE IT DAY Don`t forget that 23rd April is the day when we are all going to take our classic vehicles for a run to illustrate to the public how many of these there are and how they can be useful road transport and not simply toys.

MOTORCYCLE DATES This seems to be the season for motorcycle festivals and jumbles all of which are of interest to members. Here are some for your Diary, each with a contact number where you can get details.

FOR SALE. Your chance to own a classic MG! A framed and mounted collection of MG cigarette cards. This is a complete set of 48 instead of the usual 50. It measures 14 inches high by 32 inches long and covers MG's from Old Number One (I believe pictured at Blue Hills) through many models to the MGB. I would like £25.00 for this, and would take it to the Cross Roads Lodge for a potential buyer to view it. As they say in the car ads, "No tyre kickers or test pilots", as it will take up valuable space in the car on the Trial, not to mention being fragile! WANTED I'm looking for a Watsonian Monza or Watsonian GP or Hedingham SS sidecar. Please contact John Hind: john@jhind.co.uk
