

The Motor Cycling Club Ltd
MONTHLY NEWS LETTER – OCTOBER 2006

www.themotorcyclingclub.org.uk

Compiled by John Aley Telephone: 01308 420706 Email: johnaley@portwrinkle.fsnet.co.uk

MARSHALS NEEDED On almost every event we are practically begging for help as on every trial there's a problem manning sections adequately, something which more than once has led to errors and delays and on occasions has meant hills being deleted from the route. Many suggestions have been made over the years for improving this situation including some form of compulsion like limiting entries to those who also marshal. This should not be necessary. We all join a motor club to take part in its events and whether competing or officiating we are doing exactly that. Marshalling should not be seen as a necessary evil but rather as another way of enjoying motor sport. Seeing a trial from a different angle adds a new perspective as many competitors who appear on the other side of the fence during a sabbatical year find out. Please may we appeal to every member of the MCC to come forward, compete if you can because without enough entries the event would be both pointless and unprofitable, but if for reasons of work, age, finance or merely inclination, remember there are other ways to be part of the sport.

And before he starts to shout, may we remind you that the new Chief Marshal of the Exeter Trial is Rod Bracey and he would love to hear from you on 01635 866657.

EXETER TRIAL ENTRIES To ensure that nobody misses an Exeter entry the closing date has been postponed until 16th October - a week later than that shewn in the regs.

When making your entry please remember the following:

(A) Under the new postal regulations an A4 envelope requires a large letter stamp which is 44p. If you are unsure, check with your post office when mailing to get it right and ensure there is no delay with delivery.

(B) Your membership renewal subscription MUST accompany your entry with details on the blue form provided. Only if you are NOT entering the Exeter Trial should your membership renewal go to the membership secretary.

CONGRATULATIONS There will be the marriage of Ian Bates and Sue Norton on the 18th July 2007 at Peel registry office on the Isle Of Man at 11am, then on to Douglas to the TT Grandstand for photos on the start ramp of the Manx International Rally. The reception will be in one of the suites in the Grandstand. The happy couple will have their honeymoon as Radio/Recovery crews on the rally.

Any one who would like to come over will be welcome but.....

.....*Please let them know if you would like to attend so they can arrange for a sandwich.*
