

The Motor Cycling Club Ltd
MONTHLY NEWS LETTER – JANUARY 2007

www.themotorcyclingclub.org.uk

Compiled by John Aley Telephone: 01308 420706 Email: johnaley@portwrinkle.fsnet.co.uk

CORRECTION The 2006 motorcycle Baddeley award winner as shown in the last issue of Triple is wrong. The Triple information was accidentally taken from the provisional Edinburgh results and did not include special test times for John Young for the Edinburgh. We are so used to the Youngs, father, son & sidecar, going fast on special tests that the editor of Triple did not question this result!

John Adams has won the Baddeley Award for motorcycles – LOUD CONGRATULATIONS TO HIM, and APOLOGIES from the editor of Triple.

LANDS END REGULATIONS

The important news this month concerns the distribution of the Supplementary Regulations and Entry Forms for the 2007 Lands End Trial.

If you are one of the 700 members who receive the weekly and monthly newsletters by Email you will NOT receive these regulations by post as you have in the past.

Instead they are available to download from the MCC website using this link:

<http://www.themotorcyclingclub.org.uk/events/landsend2.htm>

Once downloaded, all parts of the entry form – and the insurance form if applicable – should be completed in the usual way and sent with the necessary cheque to the entry taker as you normally do.

If for any reason you cannot make the direct link work, you can simply visit the MCC site www.themotorcyclingclub.org.uk and navigate to the Events > Lands End page to make the download.

But we appreciate that for technical reasons some of you may not find it possible to download and if this happens an Email to: johnaley@portwrinkle.fsnet.co.uk giving your name and address will ensure you receive a set of "Paper" regulations by post.

Please understand this is an experiment which if successful will save hours of work and something like £500 of the club's money. It really is in everyone's interest so please do your bit to help.

So that we know you have read this and it has not disappeared into your "SPAM" filter, please click the "REPLY" button and send the word "OK" back to us. We want to make this work, but we do not want members to be missed out on their expected mailings

Those members with whom we deal solely by post and who miss the NOTW will not be affected by this change and will find Lands End Trial Regulations enclosed with this newsletter.
