EXETER TRIAL: Results - See <http://www.themotorcyclingclub.org.uk/events/archive.htm>

RESTARTS: *Despite many clarifications to the regulations we are still having troubles arising from different interpretations of the restart procedure. Before the Lands End Trial therefore the organisers will be issuing a very firm note of the procedure which will be used in this event. This notification will be issued to all competitors, marshals and others concerned. and any competitor who does not comply with these instructions will be penalised.*

ENTRY REFUNDS: The complex nature of MCC trials means entries have to be made a long time in advance of the event and sometimes due to changing circumstances an entry has to be withdrawn. In the past the club has recognised this and made a refund of the entry fee less a small percentage to cover administration costs. Unfortunately this will not be possible in future now the governing body is basing its considerable fees on the number of entries and not, as in the past, on the number of starters. So from now onwards, once an entry has been made no refund will be possible on that part of the entry fee which approximates the amount of the MSA levy.

LANDS END TRIAL: As we have said before, if you are not entering this year, you can still enjoy a west country Easter by marshalling, which although a serious job is really much more interesting than just watching. If you haven't already volunteered but think you might be able to help please call the Chief Marshal on 01271.411161

Club Supper. Still on Lands End matters, if you need to book /amend/cancel your Club Supper arrangements, the number to ring is **01209 82055, Crossroads Lodge Hotel.** Nothing else will do.

YEOVILTON AIR DAY: Many of us enjoy the occasional air show and the **RNAS Yeovilton** annual event which this year takes place on **5th July** at is always a good one if somewhat crowded. However, if you own an interesting, classic or vintage bike or car you can become part of the show, enjoy a special enclosure near the action with much easier access and a cheaper admission fee. There is a Vintage & Classic Vehicle & Motorcycle Exhibition organised by AHA Events Ltd, 1 The Square, Barnstable, Devon EX32 8LS telephone: 08445 780780 from whom you can obtain more details and a registration form. A member who attends this part of the show regularly says it's a most enjoyable exercise.

WHEELS RIP: For many years now competition licence holders and others have become accustomed to the MSA official monthly newsletter "Wheels", edited by our friend and MCC member Stuart Turner. Now, partly encouraged by the success of MCC Email newsletters and realising that in the world of today reading from screens comes more naturally than reading from paper for so many people, the MSA will in future be producing eWheels which will appear regularly on our screens. I am sure this is a move in the right direction but I would like to thank all those particularly John Jago the printer who have produced such a record of regularity.
