WARNING TO THE PUBLIC

**You are near a Classic Reliability Trial Observed Section. You are warned that Motor Sport is potentially dangerous and that you are present in the vicinity of the course entirely AT YOUR OWN RISK!
PLEASE OBSERVE THE COUNTRY CODE - LEAVE NO LITTER!**

DESCRIPTION OF CLASSES

The Motorcycle classes are:

"A" = Single or Multi-Cylinder British Solos; (Generally pre-65)

"B" = Solos up to 450cc

"C" = Solos over 450cc

"D" = Sidecar outfits

"E" = Three-Wheelers

The Cars must all use STANDARD ROAD TYRES and the Classes are numbered according to climbing ability (the lower the Class number, the lower the climbing ability - in theory!).

Class 1 = Front Wheel Drive (the most disadvantaged);

Class 2 = Pre-1941 Cars (many with small side valve engines and large diameter wheels);

Class 3 = Production Saloons, front engine, rear-wheel drive;

Class 4 = Production Saloons, rear engine, rear-wheel drive, below 1300cc;

Class 5 = Production Sports cars;

Class 6 = Production Saloons, rear engine, rear-wheel drive, over 1300cc;

Class 7 = Kit-Cars and heavily modified production cars;

Class 8 = Trials 'Specials' (many of which are very lightweight & the 'crew' sit almost over the rear axle)

Class '0' = open to bikes and cars and follows a shorter route that omits the severe or very rough hills; suitable for elderly or much-loved machinery

LIST OF ENTRIES

'M' = Travelling Marshal 'T' = Team Member
 BAFMA = British Armed Forces Motorcycle Club
 VMCC = Vintage Motor Cycle Club

VSCC = Vintage Sports Car Club
 MTWC = Morgan Three Wheeler Club
