Notes on the Results:  
1) A blank in any timing box means exactly on time  
2) A successful climb of either of the off-road sections acts as a bonus and negates an error elsewhere.  
3) Time lost a one timecontrol is not carried forward to the next - thus 727 was 21 minutes late at Wilsey Down, so this is deducted from the 48 minutes late at the Finish.  
Competitors should note that we may change this policy for the next event.
