Any competitor wishing to use a tyre not listed may submit a request for the tyre's inclusion to the ACTC Tyre Officer. No tyre will be added to this list without its being physically inspected first. This list applies to BOTH AXLES! Any competitor using a tyre on the "Unacceptable" list should be excluded. If the scrutineer is uncertain as to the validity of any tyre not listed, a Scrutineer's Warning should be issued and the matter passed to the ACTC Tyre Officer. M&S marked tyres may be used if on the approved list.
