Dear Member,

## Edinburgh Trial, Saturday 30<sup>th</sup> September 2017

I am pleased to invite you to join our visit to Derbyshire. The event will follow a similar route to that used last year but with fewer trunk roads in the night, and will include most of last year's sections, with a possibility of one or two new ones.

- Single start at the Moto services on the M42 (J10) / A5 junction near Tamworth
- Total mileage approximately 200
- Finish at the Bull in the Thorn, Hurdlow (A515 south of Buxton).

The Edinburgh Trial will also cater for Class 'O' and Class 'R' following a similar routes as the other classes but avoiding some of the rougher sections. Class 'O' and 'R' competitors will not qualify for normal awards.

Most members are now expected to enter using the online system. If you have received Regulations and Entry Forms through the post you are one of a tiny minority. Please return the entry form immediately, fully completed to avoid delays, if you are to be assured of an entry. The entry is limited to 300 competitors and these are allocated in order of receipt.

Insurance for motorcycle competitors is now included within the ACU policies at no additional cost. For car competitors the club have arranged compulsory insurance through Locktons. The premiums are in the entry form.

If you are not entering, please come to help marshal. Without any help in this respect, it would be impossible to run events such as the Edinburgh Trial. If you are interested in marshalling, you will find attached a provisional list of sections and their approximate timings. Please fill in the attached form or contact our Chief Marshal, Myke Pocock on 01228530555 or email [mykepocock@yahoo.co.uk](mailto:mykepocock@yahoo.co.uk)

We wish you a successful and enjoyable trial and look forward to seeing you,

Ron Butcher  
Secretary of the Edinburgh Trial
