Dear Member and invited clubs,

MCC Somerset Scatter, Saturday 15th June 2019

I am pleased to invite you to enter the Somerset Scatter navigational event. This will take place upon all metalled public roads, though some may have a little grass up the middle. The majority of those who took part in last year's event have asked for a second chance to compete in an event that they obviously enjoyed.

Whether you visit just a few of the locations or as many as you can, this event will be as challenging as you are. You will ride/drive through beautiful scenery, see a summer sunrise followed by a full English breakfast. Lunch at one of the many pubs of your choice followed by a gastronomic get together at the finish.

The event will start at midnight on the Friday and is in two halves being before and after breakfast. A competitor may compete in the entire event or choose to do just the night or day part.

The night start is at M5 Services (Westbound) Taunton Deane. The day start and all finishes are at The Allerford Inn, Norton Fitzwarren, Taunton, Somerset.

Regulations and entry forms are enclosed or can be downloaded from the club's website. Please return the entry form immediately, fully completed to avoid delays, if you are to be assured of an entry. The entry is limited to 120 competitors and these are allocated in order of receipt.

For this year's event we are accepting RTA cover from MIS Motorsport, compulsory for **ALL** cars at £16 per car. We realise that some entrants have previously arranged their own insurance for this type of event, but for cover at this price there are no exceptions. This does not affect motorcycle entries as RTA cover is already provided to affiliated members of the ACU.

We hope that you will come out and join us to compete against the club in MCC countryside with some like minded individuals.

Dick Peachey
Event Secretary
