Timing.

After last year's rain, the sun shone brightly on the righteous. The event run very much to time with the bikes all finishing at least an hour early, and the last cars coming through the door exactly on time. (Car 302 – the last man signed of 7 minutes early. This meant that there was NO official delay calculations required, and a few drivers were caught out by being late. There was some tolerance given to hold ups in the queue for the noise test at Wilsey Down.
