Michelin Anneke Wild	all sizes	permitted	all sizes
Mitas E07	all sizes	permitted	all sizes
Mitas E09	all sizes	Not permitted	all sizes
Mitas E10	all sizes	permitted	all sizes
Pirelli MT21	all sizes	Not permitted	all sizes
Pirelli Scorpion MT90	all sizes	permitted	all sizes
Pirelli Scorpion Rally	all sizes	permitted	all sizes

The use of motocross and enduro type tread patterns is not permitted.

Soft compound trials tyres, e.g. Michelin X11 are not recommended as they wear quickly and can shed tread blocks on our trials.

These provisions also apply to motorcycles entered in class O.

Class R motorcycles and three-wheelers may use any road legal tyre.

It is the responsibility of competitors to ensure that the chosen tyre is compatible with the specification prescribed by the motorcycle manufacturer.
